

Used Parts Warranty - 6 months

WHAT IS COVERED:

1. All used parts, (except those parts specially ordered for the client, client supplied parts or used/rebuilt parts covered by a 3 month or a specific separate warranty), are warranted for a period of **6 months or 10,000 kms, whichever occurs first**, from date of purchase, unless otherwise agreed in writing or stated in our quote or tax invoice.

GENERAL:

2. Nothing in this document is intended to limit any condition, guarantee, right or remedy which may be available under the Consumer Guarantees Act 1993, except as permitted by that Act.
3. The warranty is not transferable.
4. If any material facts are withheld, false or fraudulent reports and/or claims are made, then this warranty shall become void. In this event, any payments that have been made by Lite Commercial Dismantlers will be repayable forthwith.
5. No variation or modification to the terms of this warranty shall be valid or binding unless it is in writing and signed by an authorised employee of Lite Commercial Dismantlers.
6. If a part has been sold on an 'exchange basis' any failure to return the exchange part will void the warranty.
7. Where the part has been acquired for business purposes, the Consumer Guarantees Act 1993 shall not apply.
8. Lite Commercial Dismantlers will refund any freight costs involved for faulty parts. Before making any freight arrangements, the client must consult with Lite Commercial Dismantlers.
9. Where a part is found to be out of warranty or is not faulty, Lite Commercial Dismantlers will charge labour at \$75.00/Hr (excluding GST) plus the price of any parts required and all freight costs.

CLIENT'S RESPONSIBILITIES:

1. It is the responsibility of the client to see that they have purchased the correct parts.
2. The parts must be fitted, in accordance with the vehicle manufacturer's installation and adjustment instructions, by a qualified automotive mechanic. Where the air conditioning system has to be regassed, the correct lubricant as required by the manufacturer must be used.
3. Any modifications or the addition of aftermarket "high performance" parts will void your warranty.
4. It is the client's responsibility to ensure that the vehicle receives all the scheduled service and maintenance work at the recommended intervals given by the manufacturer.
5. If a part proves to have a minor fault within the warranty period, Lite Commercial Dismantlers at their discretion will repair the part, replace the part or give a refund. If the fault is serious or cannot be fixed, the client can choose to return the part and accept either a refund or replacement part; or keep the part and have the price reduced to make up for its drop in value. In some circumstances a replacement part may not be available so Lite Commercial Dismantlers reserves the right to give a refund for the faulty part.
6. Any repairs undertaken without the consent of Lite Commercial Dismantlers will void the warranty.
7. Any claims made under this warranty must be accompanied by the original invoice as proof of purchase.

8. It is the client's responsibility to report any damage caused in transit within seven (7) days. Please refer to Terms of Trade, Clause 7.6 (available at www.lcd.nz).
9. The client must complete this warranty form and return it to Lite Commercial Dismantlers by either email to admin@lcd.nz or mail to address given on tax invoice.

THIS WARRANTY DOES NOT COVER:

1. Used parts subject to an express warranty given by a third party supplier to Lite Commercial Dismantlers for their client.
2. Repairs required as a result of corrosion or rust, water damage, misuse, abuse, neglect, overloading, lack of maintenance, modification, incorrect installation, using incorrect or insufficient fluids and oils, illegal use, normal wear and tear, malicious damage, impact or road traffic accidents.
3. Damage caused by natural or manmade disasters such as fire, flood, earthquake, war, etc.
4. Repairs to vehicle parts in marine situations, competition, race or speed trials. If the vehicle is used for towing, then this must only be done within the manufacturer's recommendations.
5. Any parts which have been tampered with, disassembled or repaired without Lite Commercial Dismantlers consent. If this occurs then the warranty will be void.
6. Damage caused by the continued use of a part after a fault has occurred.
7. Repairs to a part where the vehicle's odometer has been disconnected or the kilometre or milage reading has been altered.
8. Any vehicles operated outside of New Zealand.

Failure to complete and return this form to Lite Commercial Dismantlers will void the warranty.
